PRODUCT DESCRIPTION

Designer: George Carwardine

Anglepoise Original 1227 Brass Maxi Pendant Light

Twice the size of the [Original 1227 Brass pendant light](#), the Original 1227 Brass Maxi pendant makes a big impact in a tasteful way. A part of the [Anglepoise Original 1227 collection](#), the pendant shade takes its shape from the classic Anglepoise [desk lamp](#) design, first distributed in 1935.

With brass details and a woven fabric cable, the 1227 Brass pendant re-livens the iconic design to produce a delicate yet stunning effect. Giving a nice light, the pendant is both functional and stylish and looks best in dining and kitchen areas at home and in commercial spaces. Use the Maxi pendant as a single piece to create an impact or mix and match both colours and sizes of the Anglepoise Brass pendant lights to have a lighting extravaganza set to impress.
