Fontana Arte Cheshire Table Lamp

The Fontana Arte Cheshire Table Lamp, designed by the renowned GamFratesi duo, perfectly encapsulates the simplicity and functionality of Nordic design. Featuring an opaline polycarbonate diffuser, it emits a soft, diffused light ideal for creating a warm, inviting ambiance on desks, side tables, or as accent lighting in living spaces. The Cheshire is available in three versatile finishes—classic white, sleek black, and elegant green—allowing it to blend seamlessly with a variety of interior styles.

Built with a robust Zamac base and a sleek metal stem, this table lamp combines durability with understated elegance. The clear power cable with plug ensures easy placement, while the downward light emission makes it a practical yet stylish choice for both residential and professional settings. The Cheshire Table Lamp embodies refined craftsmanship, making it a timeless addition to any décor.
