PRODUCT DESCRIPTION

Designer: Franco Raggi

Fontana Arte Flute Magnum Suspension Light

The Fontana Arte Flute Suspension lamp takes the design of the original Flute Suspension and amplifies its presence with a larger scale, making it ideal for grand spaces. Designed by Franco Raggi, this version retains the transparent borosilicate glass cone and polished chromed aluminium reflector, supported by three refined metal rods. The light is directed downward, perfect for illuminating larger dining tables, open plan areas, or commercial spaces.

The Magnum version of the Flute Suspension makes a bold statement while preserving the elegance and balance of the original design. With a dimmable feature, it allows for ambient control and adaptability to suit a range of lighting needs.
