Fontana Arte Parola Table Lamp

Designed by Gae Aulenti and Piero Castiglioni in 1980, the Fontana Arte Parola Table Lamp is a timeless piece that showcases a harmonious blend of artisan craftsmanship and industrial precision. This iconic table lamp incorporates three distinct glassworking techniques: the transparent base is crafted from bevelled natural glass, the stem from borosilicate glass, and the diffuser from opaline blown glass. Available in amber or white, the Parola offers a sophisticated and multidimensional design that complements both modern and classic interiors.

Perfect for use on desks, bedside tables, or reading nooks, the Parola Table Lamp creates a warm, diffused glow that enhances any space. The addition of a dimmer allows for personalised lighting, adapting effortlessly to the mood of the room. The braided fabric cable and sleek black detailing further enhance its refined aesthetic, making it not just a source of light but a true statement piece.
