Bocci 73.3 Trio Cluster Pendant Light

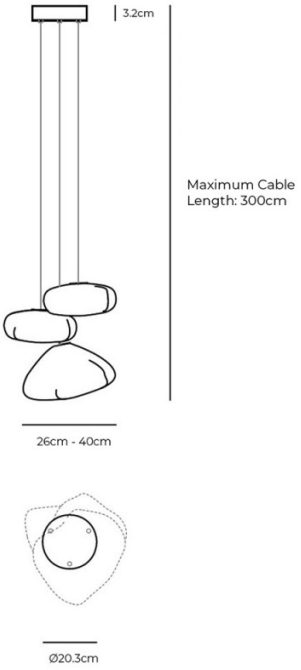

The Bocci 73.3 Cluster Pendant is made up of 3 pendants from the **Bocci 73 Series**, and is a beautiful and stylish light fixture. The size and aesthetic of the trio pendant make it perfect as a main light in smaller spaces or used over tables and surfaces in bigger spaces. The 73.3 Trio also has adjustable cables so you can create a personalised look that is functional in your interior.

The shades of the 73.3 Pendant Lights are made from glass, which is blown in a fabric vessel to produce a textured and spontaneous design which is mesmerising and eye-catching. The light bulb sits in the middle of the shade and is included in the purchase, with the choice between the dimmable **Xenon 10W** bulb and the non-dimmable **LED 1W** bulb. Create a wonderful look in your home or professional setting with this gorgeous trio cluster pendant lamp.

Please Note: All Bocci Suspension Lights come with a white ceiling canopy as standard. Other finishes are available; please contact us for more information and pricing.
