&Tradition Formakami JH3 Pendant

For the Formakami JH3 Pendant, designer Jaime Hayon blends Asian and Western design for a playful take on the traditional Asian lantern. The bulbous shade is handcrafted from rice paper to capture the essence of the historic paper lanterns, while a black-stained oak collar creates an eye-catching contrast. The Formakami JH3 Pendant boasts a timeless aesthetic that suits both classic and contemporary décor in residential and commercial spaces alike.

The sculptural appearance of the JH3 Pendant adds an eye-catching element to dining rooms, living areas, and stairwells. The open bottom creates a downward-directed light, perfect for illuminating tables and work surfaces, while the rice paper diffuses light into a soft glow that fills the room in a cosy and calming ambience. In larger areas, display in a cluster with other pieces from the **Formakami Collection** for a grand composition with a striking visual presence.
