Fontana Arte 0024 Pendant Light

Originally conceived in 1933, the Fontana Arte 0024 pendant light by renowned designer Gio Ponti has a big personality and brings timeless elegance to even large spaces. The diffuser is created with a series of horizontal disks in tempered glass, which provides a soft, ambient and special glow to interiors and the pendant is completed with Chrome-plated brass frame and ceiling canopy.

The 0024 pendant light is available in two sizes; 53cm and 141.5cm. The small version is perfect for more petite residential spaces while the XXL version suits large open residential spaces or commercial applications. The 0024 collection by Fontana Arte also includes a [floor light](#), which can be used in conjunction with the 0024 pendants to create a cohesive and modern feel.

Designer: Gio Ponti
