PRODUCT DESCRIPTION

Designer: Matti Klenell

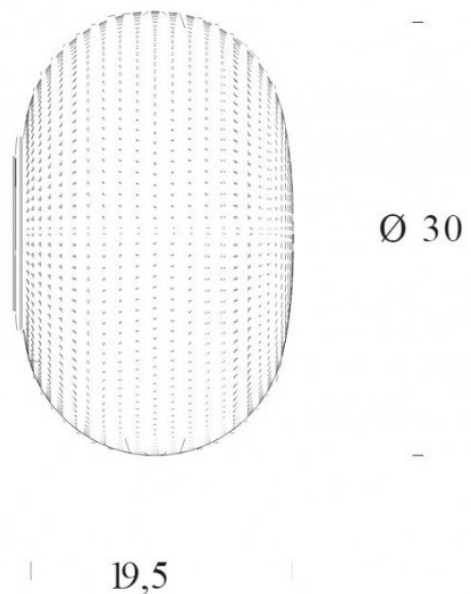

Fontana Arte Bianca Ceiling/Wall Light

The Fontana Arte Bianca is a family of luminaires which feature decorated diffusers with an orderly series of shallow delicate grooves etched into the white glass, which is meant to resemble small footprints on fresh snow. The diffuser is mouth blown, belt sanded and dipped in acid to obtain the distinctive 'silk effect' typical of fine glassware. The technique to create the diffusers is a traditional Venetian production process which is performed without any external aids for turning and shaping the glass blob inside the mould, but relies solely on the glassblower's skill and lung capacity – a challenge for even the most skilled craftsmen.

The wall and ceiling version of the Bianca has a beautifully balanced shape, with its initial starting point to create a surface in glass that would capture both the quality of the material and the light, which the Bianca does effortlessly. Providing a soft, ambient and diffused light emission, the Fontana Arte Bianca wall and ceiling light suits a variety of interiors such as hallways, living areas and bedrooms.

PRODUCT SPECIFICATION

- Light Source:** Small: 4.5W, 2700K, 350lm
Medium: 17.5W, 2700K, 1650lm
- IP Code:** 20
- Dimming:** Small: Dimmable via phase cut dimmer
Medium: Dimmable via Triac dimming.
- Dimensions:** Small: ø16cm, width 11.5cm
Medium: ø30cm, width 20cm
