Fontana Arte Bianca LED Table Lamp

The Bianca Table Lamp is available in small and medium sizes, bringing a warm, ambient glow to interiors. Its hand-blown, satin-finished glass diffuser is decorated with shallow grooves that mimic fresh snow tracks. With a compact design, this lamp works well as a bedside light, reading companion, or accent piece, adding a touch of artful craftsmanship to any setting.

The technique to create the diffusers is a traditional Venetian production process which is performed without any external aids for turning and shaping the glass blob inside the mould, but relies solely on the glassbbottom's skill and lung capacity – a challenge for even the most skilled craftsmen.
