PRODUCT DESCRIPTION

Designer: Note Design Studio

Zero Silo Pendant Light

Designed by Note Design Studio, the Zero Silo Pendant Light is a bold, minimal fixture inspired by the industrial silhouette of grain silos. Its clean cylindrical form and powder-coated aluminium body lend a sculptural presence to contemporary interiors, while the palette of neutral and playful colours offers flexibility for blending in or standing out.

Compact yet impactful, the Silo Pendant is ideal for task lighting or to create statement arrangements in kitchens, dining areas or hospitality settings. A textile cable in contrasting white completes the design, reinforcing its graphic character and refined simplicity.

Please note, alternative colours are available for this product. Contact us for pricing and information.
