PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

Anglepoise Type 75 Lamp with Wall Bracket

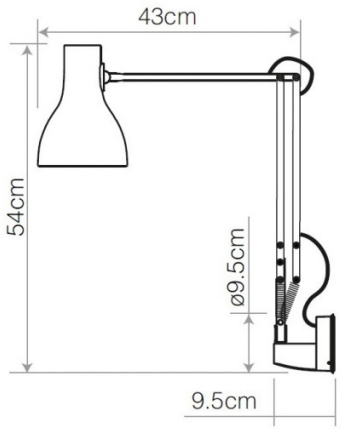

Designed by Sir Kenneth Grange, the Type 75 Lamp with Wall Bracket reimagines the iconic **Type 75 Desk Lamp** in a stylish, wall-mounted form. This version maintains the same adjustable frame and recognisable silhouette synonymous with the **Type 75 Collection**. Utilising Anglepoise's infamous spring mechanism, the lamp can be moved and adapted as required. The Type 75 Lamp is available in muted tones of Linen White, Jet Black, and Dove Grey, allowing it to blend seamlessly into a range of interiors.

The Type 75 Lamp with Wall Bracket is well-suited for use on a gallery wall, in an office, or beside a bed. Thanks to its movable frame, light can be directed to read by, bathe a piece of art in light, or pointed at a wall for ambient, indirect lighting. The wall lamp can be switched off and on via a switch on the cable. The Type 75 Lamp Wall Lamp is an ideal, space-saving lighting solution. In smaller spaces, the lamp can be folded and pushed against the wall when not in use. Display individually or in pairs for a sense of balance and uniform lighting.

Please note that this wall lamp is supplied with a cable and plug, so it needs to be fitted near a socket.

PRODUCT SPECIFICATION

Light Source:	1 x Max 6W E27 LED (Included)
IP Code:	20
Dimming:	Integrated on/off switch on the product.
Dimensions:	Shade: Ø14cm Shade Height: 18cm Height: 54cm Maximum Horizontal Reach: 87.5cm Maximum Vertical Reach: 87cm Cable Length: 200cm
