PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

Anglepoise Type 75 Mini Lamp with Wall Bracket

As part of the [Anglepoise Type 75 Mini collection](#), the Type 75 Mini lamp with wall bracket is a versatile and compact light designed by Sir Kenneth Grange.

A smaller version of the [Type 75 lamp with wall bracket](#), this light can be easily attached to the wall to act as a rotational and adjustable wall light that can be used as a desk light that saves space or as an interesting lounge light. With a directional light, this wall-mounted mini lamp is perfect in both professional and domestic interiors and can be used even in the smallest spaces thanks to its compact size. Available in 3 colours and equipped with the signature Anglepoise constant spring technology, the Type 75 mini wall-mounted lamp is a must-have, to act both as a stylish light feature and as a functional task light.
