### Bover Garota P/01 Outdoor LED Floor Lamp

The Garota P/01 Outdoor LED Floor Lamp is a gorgeous light that has a natural and organic aesthetic, inspired by the look of a sea urchin's shell. The lampshade is made from woven fibre, which is recyclable and non-toxic, being environmentally friendly and eco-conscious. The LED light source is protected by an inner polyethylene globe, which also helps to produce a glare-free, diffused glow that nicely illuminates the space.

The outdoor floor lamp has a subtle stainless steel tripod stand, making it movable and convenient for many exteriors. The Garota P/01 outdoor floor light is available in 2 lovely colours, ivory white or brown, and will be a lovely addition to any outdoor space. Use in your garden, patio or terrace in the home or in a commercial setting.
