Garota S/02 Outdoor Pendant Light by Bover

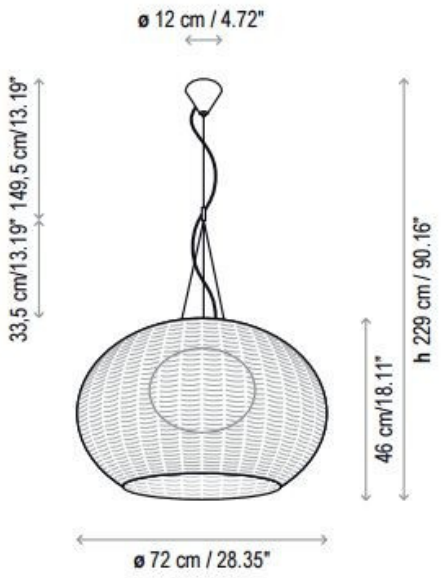

The Garota S/02 outdoor pendant was designed in 2015 as part of the Bover Garota collection. The outdoor pendant has a beautiful circular silhouette with a lampshade made from a non-toxic, recyclable fibre, which is woven to create a lovely pattern. The woven effect resembles a sea urchin's shell, taking direct inspiration from nature to produce a artistic and organic design.

The Garota S/02 exterior pendant light is made for the outdoors, with an inner frosted polyethylene globe being used to protect the light source. This globe also diffuses the light, creating a warming glow for your outdoor space. The exterior pendant works best in spaces with an overhead or ceiling, as the light comes with a sleek ceiling canopy. Use in patios, gazebos, terraces or canopies to create a gorgeous atmosphere and have chic, functional decoration.

This suspension is available in various finishes. Choose from either a natural white or graphite brown metal structure finish and an ivory white or brown lampshade.

PRODUCT SPECIFICATION

Light Source:	2 x Max 15W E27 LED (excluded)
IP Code:	66
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø72cm Shade Height: 46cm Maximum Drop: 108cm Ceiling Canopy: Ø12cm
