PRODUCT DESCRIPTION

Wastberg Chipperfield W102 Brass Table Lamp.

An archetypal personal desk lamp for home or office use, and seeks to offer a fresh interpretation of the familiar on a domestic scale. The intention was to create a simple form with a clear distinction between a base, a single arm and a lamp head. The lamp has no visible joints and minimal directional movement, without compromising its function. The shade can be adjusted 140 degrees.

The base is punched and the shade is spun. The parts are brushed and treated with a clear matt lacquer.

Optical lenses give good light distribution and glare-protection.
