PRODUCT DESCRIPTION

Designer: George Carwardine

Anglepoise Original 1227 Mini Wall Light

Part of the 2015 Anglepoise Original 1227 Mini collection, the Original 1227 Mini wall lamp is two-thirds of the size of the Original 1227 wall light, bringing a refreshed and more modern-looking design on a smaller scale.

With a movable shade, the 1227 Mini wall light has a new square wall plate with an integrated switch, adding a contemporary touch mixed with classic Anglepoise design. This wall light fits in well in any home or workspace and works particularly well for spotlighting, for instance for a wardrobe or over a picture. Match with other lights from the collection to create a room tied together by an iconic lighting aesthetic.
