PRODUCT DESCRIPTION

Designer: Miguel Milá

Santa & Cole Cestita Metálica Table Lamp

Miguel Mila's reinvention of his original and iconic Cesta, the Cestita Metalica is the smaller, steel version of the lamp. The table light has a stainless steel base, which envelopes the delicate opal glass, globe lampshade. Unlike its older sibling, the Cesta Metalica, this lamp does not have a handle; an indication that you do not need to move it from its location. The lamp is distinctive and simple but makes a strong statement in any interior.

Mila originally designed the Cesta table lamp, when he discovered a discarded globe glass sphere outside a factory and took it home. That globe became the central piece for the Cesta and Cestita lights which emit Mediterranean warmth and are meant to be placed anywhere around your home, or in public spaces. Match this table lamp with any other light from the Cesta or Cestita collections for a consistent lighting scheme.

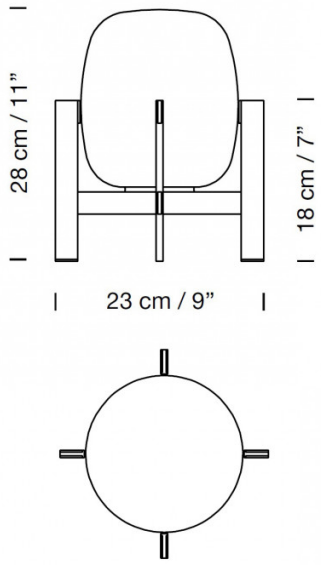

PRODUCT SPECIFICATION

Light Source: 1 x Max 3.4W E27 LED (Included)

IP Code: 20

Dimming: In-line dimmer included on cable.

Dimensions: Width: 23cm
Height: 28cm
Leg Height: 18cm
Cable Length: 225cm
