PRODUCT DESCRIPTION

Designer: Clara von Zweigbergk

Louis Poulsen Cirque Pendant Light

Clara von Zweigbergk designed the Cirque Pendant Light in collaboration with Louis Poulsen. Influenced by the domes found on buildings in the Tivoli Gardens, this pendant has a beautiful, rounded shape that is alluring and eye-catching. The colour scheme and stripes are inspired by balloons, carousels and colours seen at amusement parks and circuses, creating a fun and playful design.

The Louis Poulsen Cirque Pendant is available in 3 sizes: the Ø150, the Ø220 and the Ø380, so you can find the right fit for you, whether you need to light up a big kitchen or a small office. You can use the Cirque Pendant Light alone or mix and match colour and size to create a wonderful feature. Perfect for many settings, use in the home or professional space, for a soft downward-directed light that is atmospheric and warming.
