## PRODUCT DESCRIPTION

### Planet Pendant Light by Kartell

A feature light that is instantly recognisable by its spherical diffuser and crystal illusion design, the Planet Pendant Light by Kartell was designed by Tokujin Yoshioka as part of the [Planet collection](#).

With an adjustable cable and available in three colours, yellow, crystal and smoke, the Planet Pendant can be used as a stand-out centrepiece light, working best in a dining space or lounge area. Purchase either a single pendant to have a simple yet striking effect or buy several to create a clustered and extravagant light feature to produce an exuberant design scheme in your room.
