PRODUCT DESCRIPTION

Planet Pendant Light by Kartell

A feature light that is instantly recognisable by its spherical diffuser and crystal illusion design, the Planet Pendant Light by Kartell was designed by Tokujin Yoshioka as part of the Planet collection.

With an adjustable cable and available in three colours, yellow, crystal and smoke, the Planet Pendant can be used as a standout centrepiece light, working best in a dining space or lounge area. Purchase either a single pendant to have a simple yet striking effect or buy several to create a clustered and extravagant light feature to produce an exuberant design scheme in your room.
