PRODUCT DESCRIPTION

Original BTC Task Ceramic Wall Light

The ceramic version of the original [Task wall light](#) is equally as chic with the bonus addition of a wider shade allowing a more generous spread of light. Retaining its functional roots, the Task Ceramic wall light has an adjustable arm and an adjustable shade allowing the light output to be focused where needed.

With a polished chrome stem and base, the Task Ceramic wall light remains a contemporary choice and can be used for both ambient lighting and task lighting. Original BTC's hand crafted bone china shade provides a soft and warm illumination due to its semi translucence when lit. The functional [Task collection](#) by Original BTC includes a range of pendants, table, floor, overreach and wall lights in an array of colours, sure to suit a wide range of interior styles.
