Anglepoise Original 1227 Midi Pendant

The Original 1227 Midi Pendant utilises the shade from the classic **Anglepoise 1227 Lamp**, reinventing the iconic 1935 desk lamp as a pendant. The pendant belongs to the **Original 1227 Collection** by Anglepoise, a series of lights that celebrate George Carwardine's infamous design and its place in British design history.

With clean lines and a stylish design, the 1227 Midi Pendant is an elegant lighting solution with a bold presence that commands attention. Install above a table or work surface to provide functional lighting. Crafted from steel with chrome-plated fittings, the 1227 Midi Pendant is durable and easy to clean, perfect for use in kitchens, dining rooms, or hospitality settings. In larger spaces, display in multiples in a row or in clusters to create eye-catching compositions that will leave a lasting impression.
