Anglepoise Original 1227 Midi Pendant Light

The Original 1227 Midi pendant light uses the classic Anglepoise shade to bring a reinvented version of the iconic 1935 [desk lamp](#) design by George Carwardine in a pendant form. Alongside the [smaller Original 1227 pendant](#) and the [Original 1227 Maxi pendant](#), this light is part of the [Original 1227 collection by Anglepoise](#), a series of lights that is dedicated to bringing Carwardine's famous design to different types of lighting.

With a classic design and lines, the 1227 Midi pendant is an elegant and eye-catching light that makes a statement and offers a nice glow that works best over tables in either work or home environments. This pendant is available in subtle colours with chrome fittings, lending a touch of modernity to your room. To make a stunning light feature, match this pendant with several others of different sizes and colours to create a clustered effect.
