PRODUCT DESCRIPTION

Original BTC Cranton Hexagonal/Oval

The Cranton pendant is a magnificent standout chandelier style light, perfectly suited for hallways, bedrooms and sitting rooms. With an eye-catching design both when lit or unlit, the Cranton pendant is perfect for making a statement.

Original BTC's Cranton pendant light is available in two styles: oval and hexagonal. Each version is made up of multiple, intricately overlapping hexagon shaped bone china discs, which when lit produce a warm, ambient light with striking forms and shadows. The Cranton is a large pendant however due to its soft and subtle shell like exterior it does not overwhelm interiors.
