Tolomeo Outdoor LED Hook Light by Artemide

Part of the [Artemide Tolomeo collection](#), the Tolomeo Outdoor hook light is a delightful and playful light that brings the iconic Tolomeo lampshade to the outdoors. The lampshade has straight, clean lines that look stylish and classic and has a handy hook on the top so you can clip it to many wires and structures. The integrated LED light source is encased in a plastic IP65 unit to protect it in the outdoors, that also resembles old oil lampposts from previous centuries.

The Tolomeo Outdoor LED hook light emits a lovely, diffused glow and will brighten many types of outdoor areas such as patios, garden, balconies and gazebos. Available in 2 colours, this light will not disappoint and can be used in homes, commercial spaces, private and public settings.
