PRODUCT DESCRIPTION

Designer: Daniel Rybakken

Compendium Floor Lamp by Luceplan

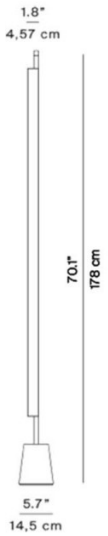

The Compendium Floor Lamp stands out for its slim and sculptural silhouette, the vertical body of the lamp is grafted onto a conical base and freely rotates for an easy orientation of the indirect light.

Designed by Daniel Rybakken, the Compendium Floor Lamp takes inspiration from the reflection of natural light through a window. Rybakken is well known for his exploration of singular source lighting and imitating natural sunlight in his work. By facing the light source towards the wall, the softly diffused even glow is reflected into the space, much like sunlight coming into a room through your window. This light harnesses high performance LED, keeping the design clean and minimalistic whilst still remaining a striking addition to your living space.

Available in two different colour temperatures

PRODUCT SPECIFICATION

Light Source:	**Warm White:** 37W, 3000K, 1926 Lumens **Warmest White**: 37W, 2700K, 1848 Lumens
IP Code:	20
Dimming:	In line dimmer included on product.
Dimensions:	Height: 178cm Base Height: 16.8cm Base: Ø14.5cm
