PRODUCT DESCRIPTION

Original BTC Stirrup Wall Light

The Stirrup wall light by Original BTC is inspired by the searchlight on the back of a toy lorry which is reflected in the conical shape of the shade. In a choice of three colours and three sizes, the Stirrup wall light has an adjustable and positional head giving added functionality to the lamp.

The size 1 Stirrup wall light by Original BTC has no diffuser and is open ended, size 2 comes with an etched glass diffuser and size 3 comes with a sandblasted glass diffuser to prevent glare and provide a softer, more diffused light.

The Stirrup collection is the ultimate range for industrial chic and includes floor lamps, suspensions and table lamps all in the choice of three colours and various sizes.
