### PRODUCT DESCRIPTION

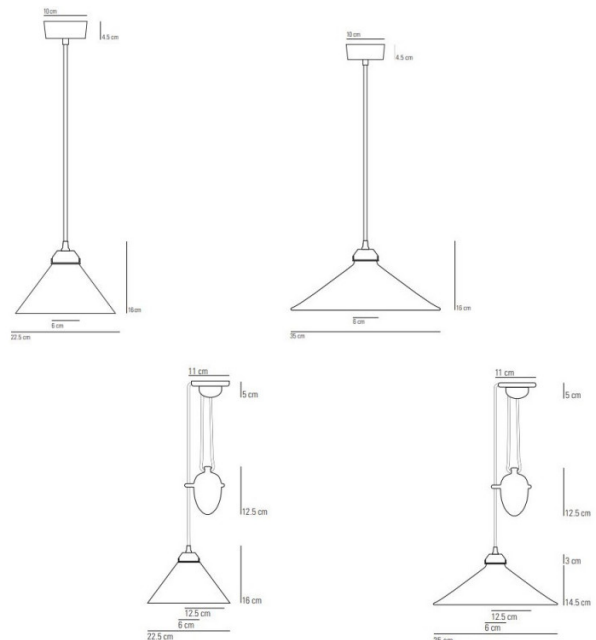

#### Original BTC Cobb Pendant Light

Original BTC's Cobb pendant light is traditionally inspired with a modern twist. The Cobb suspensions shade retains its natural off white colour and is made from bone china with a flat, triangular shape with a slightly flared rim available with both standard cable and rise and fall cable options.

The Cobb pendants are an ideal choice for lighting dining tables and kitchens. Due to the flared rim, the Cobb pendant throws a warm direct light on surrounding areas. This pendant comes complete with Original BTC's signature braided cotton cord in standard or rise and fall, with metallic silver finishes.
