PRODUCT DESCRIPTION

Original BTC Stanley Pendant Light

The Stanley pendant lights by Original BTC are hand spun by skilled specialist craftsman in Birmingham using techniques dating back to the 1880s, giving each pendant a unique and hand finished aesthetic. The mix of metals and the choice of three sizes (small, medium and large) means the Stanley pendant will compliment a range of interior styles, and is particularly effective used in kitchen and dining areas.

Original BTC's Stanley pendant is available in a variety of finishes including hammered or polished brass, copper and nickel. The hammered finish is also available in black nickel. Group the Stanley pendants together for a dramatic effect or mix metals for a laid-back, eclectic look.
