### PRODUCT DESCRIPTION

#### Original BTC Box Diner Pendant Light

The Box Diner pendant light by Original BTC is an industrial chandelier style suspension in weathered brass, perfect for lighting dining areas or above a kitchen island. Available in either a 75cm or 125cm size, the Box Diner light has glass on four sides and an open top and base, meaning light output is maximised.

Original BTC pride themselves on the quality of their products and the Box Diner pendant light is no exception. The highly skilled workforce at their Birmingham metal works use centuries-old techniques to create truly authentic, unprocessed lighting designs; some of which originate from East India Docks in the 1880s, where Davey Lighting was established. Each product is carefully soldered, glazed and weathered, ensuring the very best quality.

**Bulbs are not supplied with this light fitting.**
