PRODUCT DESCRIPTION

Original BTC Christie Pendant Light

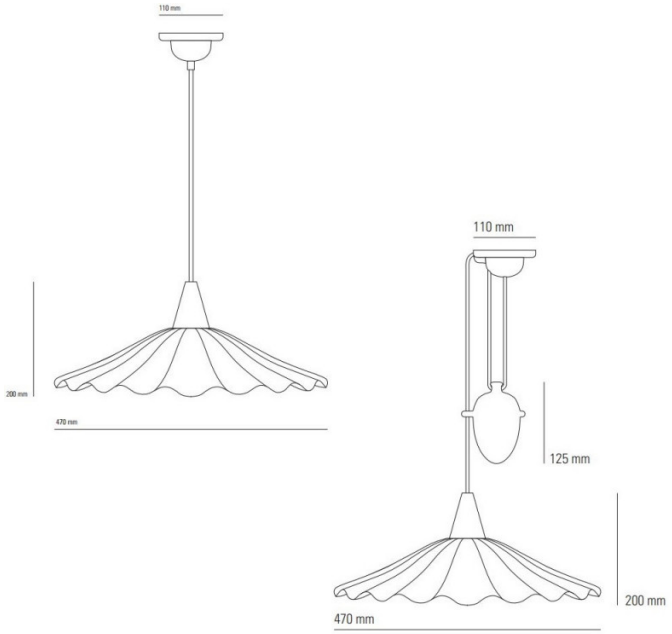

The Christie pendant light by Original BTC with either standard or rise and fall cable is produced from hand cast, fine bone china. Retaining its natural off white colour, the Christie suspension is an elegant choice for lighting a dining room or living area.

Inspired by rolling ocean waves, the Christie pendant light has been created from bone china which has been heated and moulded to create this eye catching design with its rippled and scalloped form with a warm direct light output. The Christie pendant light has Original BTC's trademark sand & taupe braided cable and bone china ceiling rose which finish the design off beautifully.

The Christie pendant light by Original BTC is available both with standard cable and a rise and fall option. Additional cable length can also be added. For further details, pricing and orders please contact us.
