PRODUCT DESCRIPTION

Original BTC Pembridge Pendant Light

The Pembridge pendant light by Original BTC is a statement chandelier style light which consists of multiple, intricate circular fine bone china pieces which overlap to conceal the light source and emit dimensional light through the use of shadows.

Original BTC's Pembridge pendant comes in a choice of three sizes (size 1, size 2 and size 3) and also as a statement floor lamp. With 150cm of adjustable cable, the Pembridge pendant can be hung low over a table as a dining centerpiece or elevated above eye level to cast a soft atmospheric glow below.
