PRODUCT DESCRIPTION

Original BTC Time Pendant Light

The Time Pendant light by Original BTC was inspired by traditional factory fittings from the 1940s. Their polished and reflective aluminium shades create a clean-lined, industrial style which suits kitchens, living rooms and hallways. The Original BTC Time pendant casts a strong warm glow due to its wide shade opening.

The Time pendant lights are fitted with a tinned braided cable and are available in 3 sizes. The pendants can be grouped together for added impact, or work well individually.
