### PRODUCT DESCRIPTION

#### Original BTC Primo Table Lamp

The Primo table lamp by Original BTC is a petite tasking lamp with a shade made from prismatic glass. With similar styling to the [Fin table lamp](#), the real difference between the two styles of table lamp is the moulded prismatic glass shade provides a sparkling light which is refracted.

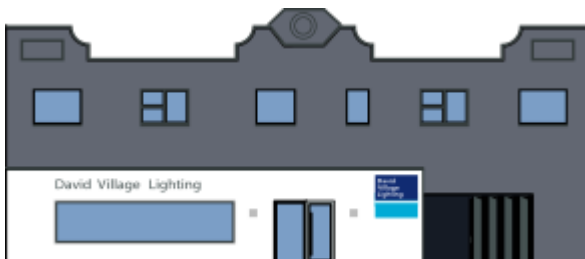

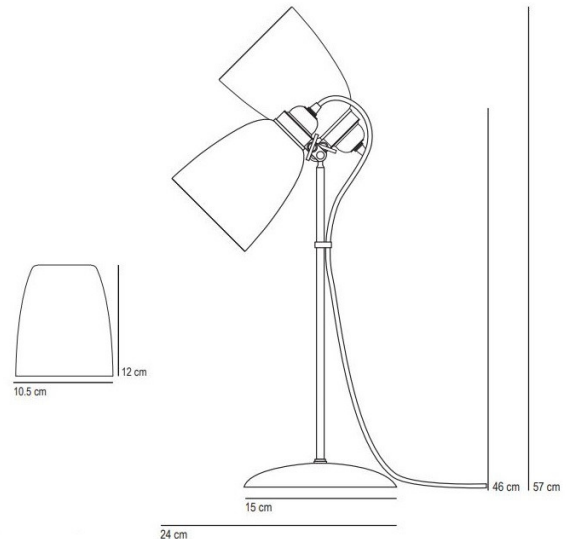

An elegant design, the Primo table lamp by Original BTC has a timeless design with a polished chrome base with an adjustable shade which can be tilted and the light output directed exactly where required. A [floor version](#) of the Primo table lamp completes the collection for a cohesive lighting arrangement.
