Kartell Sottsass Calice Vase

The Calice Vase was designed by Ettore Sottsass as part of the "Kartell goes Sottsass - A Tribute to Memphis" collection. The collection is a tribute to the Memphis Group, an Italian group that designed postmodern furniture, fabrics and many other objects. The Calice represents the same inspirations as the Memphis Group: Art Deco and Pop Art.

The Kartell Sottsass Calice Vase, in the shape of a chalice or goblet, is the perfect colour splash for your home. Whether indoors around the house, on the dining table, in the living room, or on the window stool. Available in 5 opaque options: black, pink, green, violet and red. Ettore's collection also includes the **Pilastro** and **Colonna** stools.
