Kartell Sottsass Pilastro Stool

The Kartell Sottsass Pilastro Stool was Ettore Sottsass's homage to his Memphis Group, as part of the "Kartell goes Sottsass - A Tribute to Memphis" collection. Ettore was the founder of the Memphis Group, an Italian team of architects and designers who took inspiration from the Art Deco and Pop Art movements for their designs.

The Pilastro, a stool in the shape of a pillar, is a versatile and colourful accessory for your home, shop or business. The colour options, five opaque hues to choose from, reflect the time period and art movements that inspired the designers. You can have the stool in the living room, bedroom, kitchen, your office, or anywhere you wish to add a touch of colour. The collection also includes the **Colonna stool** and **Calice vase**.
