Kartell Sottsass Colonna Stool

Originally designed in the mid 2000's, the Colonna Stool is part of Ettore Sottsass's "Kartell goes Sottsass - A Tribute to Memphis" collection. The collection is a homage to Ettore's Memphis Group, an Italian designer and architect group that took inspiration from the Art Deco and Pop Art movements.

The Kartell Sottsass Colonna, in the shape of a column, is a versatile stool, useful and easy to use. Having a Colonna stool in your home or shop adds a colourful splash to your interior decor. The stool is available in 5 opaque colour options, and Sottsass's collection includes the **Pilastro Stool** and the **Calice vase**.
