**Kartell Sottsass Colonna Stool**

Originally designed in the mid 2000's, the Colonna stool is part of Ettore Sottsass "Kartell goes Sottsass - A Tribute to Memphis" collection. The collection is a homage to Ettore's Memphis Group, an Italian designer and architect group that took inspiration from the Art Deco and Pop Art movements.

The Colonna, in the shape of a column, is a versatile stool, useful and easy to use. Having a Colonna stool in your home or shop adds a colourful splash to your interior decor. The stool is available in 5 opaque colour options. Sottsass's collection includes the [Pilastro stool](#) and the [Calice vase](#).
