### Original 1227 Giant Outdoor Floor Lamp by Anglepoise

The Original 1227 Outdoor Giant Floor Lamp is a part of the [Anglepoise Original 1227 Giant collection](#), a family of lights inspired by the fantastical world of Roald Dahl. Commissioned by the Roald Dahl Museum and Story Centre, this collection takes the iconic Anglepoise design and enlarges it, creating thoroughly playful and striking lights that will both impress and awe-inspire.

Using bespoke adjuster wheels, a sealed light unit, marine-grade stainless steel fittings and a silicone rubber cable, Anglepoise have made an outdoor version of the [Original 1227 Giant floor lamp](#), perfect for exterior spaces and with an IP65 rated waterproof casing. Make a statement in your garden or patio area or line your driveway to create a whimsical welcome for your guests. Available in the colours shown above, the 1227 Giant Outdoor floor light is also available in a wide variety of custom colours and finishes at request.
