PRODUCT DESCRIPTION

Designer: Arturo Alvarez

a-emotional light Gea Floor Lamp

Gea was the personification of Earth in ancient Greek mythology, the primal mother goddess. Arturo Alvarez designed the Gea collection in reference to Mother Earth. A slender curvy body resembling erect feminine bodies wrapped in a veil made of stainless steel mesh.

The slim shape and the uniformity of the material, like a modern statue, achieved a Good Design Award (2007) for the a-emotional light Gea Floor lamp. A lamp that draws the attention of anyone who walks into the room.
