Mantis BS3 Table Lamp by DCW éditions

Inspired by the praying mantis, the Mantis BS3 table light was designed in 1951 by Bernard Schottlander and is now enjoying contemporary success. A unique piece, this table light was designed with functionality in mind as the shade can be adjusted and the stem can be moved into 4 positions for a different angle.

This table lamp is perfect for use on tables, desks and side tables for a handy reading/task light or to provide a welcoming atmosphere. Available in a simple black satin finish, the Mantis BS3 can slip seamlessly into any setting and design scheme.
