PRODUCT DESCRIPTION

Lampe Gras Mantis BS4 L BL. In 1951 Schottlander created the Mantis series of lamps. Movement is intrinsic to the collection with a clever system of counterweights combined with strong and flexible metals bars. The shade is unique like an acrobat suspended mid-air it is made from aluminium using spinning and chasing techniques. The light creates a helical movement in which the symmetrical and asymmetrical are in opposition.

Dimensions:
Height 145cm
Ceiling Rose Diameter 11cm
Shade Height 23cm
Shade Width 27cm

Lamp: Dimmable
E 14 - MAX 11W - LED, excluded
