PRODUCT DESCRIPTION

Designer: Bernard Schottlander

Mantis BS5 Wall Light by DCW éditions

The Mantis BS5 wall light is characterised by strength and agility, made from metal with a sculptural and functional look that is timeless and stylish. The wall light is part of the Mantis collection which was first designed in 1951 by Bernard Schottlander who wanted to create lights that would have function and beauty.

The Mantis BS5 wall lamp is movable, with an adjustable lampshade and stem so you can direct the light where you need. The spun metal shade casts a lovely glow that is both effective and atmospheric, perfect for ambience and as a task or reading light. Available in a black satin finish, this wall lamp will not disappoint!
