Fontana Arte Flex LED Wall

The Fontana Arte Flex Wall Light, designed by the acclaimed Karim Rashid, exemplifies minimalist elegance with its sleek, iconic shape. Crafted from die-cast aluminium and available in classic black or white finishes, the Flex wall light casts both upward and downward illumination, creating a balanced wash of light that enhances contemporary interiors with refined sophistication.

The Flex Wall Light is designed for versatility, allowing for both horizontal and vertical installation to suit a variety of spaces and preferences. It features an integrated LED, offering energy efficiency and long-lasting performance with a colour temperature of 3000K, making it ideal for creating a warm, inviting atmosphere in hallways, living spaces, or commercial settings. Dimmable for added ambience, the Flex provides flexible control over light intensity to suit different moods or tasks.
