PRODUCT DESCRIPTION

Designer: Paola Navone

Fontana Arte Pinecone Suspension Light

The Fontana Arte Pinecone Suspension Lamp is a captivating blend of traditional craftsmanship and contemporary design. Created using the ancient caged blown glass technique, the diffuser is formed by blowing molten glass into a nickel-plated metal cage. This unique process captures the natural expansion of the glass, resulting in a striking interplay of tension and release as the glass both escapes and conforms to the cage. The transparent or milky white acid-etched glass options offer distinct effects: the transparent finish creates a dynamic play of light and shadow, projecting kaleidoscopic patterns, while the milky white option provides a soft, diffused glow that highlights the geometric beauty of the cage.

Suspended by steel cables and a transparent cord, the Pinecone Pendant Light exudes a sophisticated yet industrial aesthetic, making it a versatile centrepiece for various interiors. Its bold design and dimmable functionality make it suitable for use above dining tables, in open-plan living spaces, or as a statement feature in entryways. Whether switched on or off, the Pinecone Pendant Lamp commands attention, offering both visual intrigue and functional elegance.

PRODUCT SPECIFICATION

Light Source:	1 x Max 116W E27 (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Medium:** Height: 36cm Width: Ø30cm **Large:** Height: 52cm Width: Ø50cm Cable Length: 250cm (Max)
