Fontana Arte Pinecone Table Lamp

The Fontana Arte Pinecone Table Lamp is a masterpiece of artisanal craftsmanship, designed using the ancient caged blown glass technique. During its creation, molten glass is blown into a nickel-plated metal cage, which partially contains and shapes the glass as it expands, creating a striking interplay of tension and organic form. This unique process results in a one-of-a-kind diffuser, where the glass appears to push against the cage, combining artistry and design innovation. The lamp rests on a sturdy white metal base, ensuring stability while adding to its elegant aesthetic.

Available in two finishes—transparent or milky white—the Pinecone Table Lamp offers distinct lighting effects. The transparent version projects intricate patterns of light and shadow onto surrounding surfaces, creating a mesmerising kaleidoscopic effect. In contrast, the milky white diffuser produces a soft, diffused light that accentuates the geometric beauty of the metal cage. Perfect for use as mood lighting in living rooms, on bedside tables, or in sophisticated workspaces, the lamp is equipped with a dimmer for adjustable illumination, making it both a functional and artistic addition to any interior.

PRODUCT SPECIFICATION

Light Source: 1 x Max 116W E27 (Excluded)

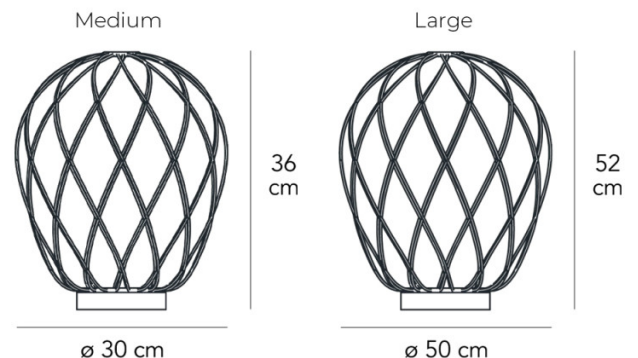

IP Code: 20

Dimming: In-line dimmer included on cable.

Dimensions: Medium:
Height: 36cm
Width: Ø30cm

Large:
Height: 52cm
Width: Ø50cm

Cable Length: 200cm
