PRODUCT DESCRIPTION

Designer: Astro Design Team

Astro Ascoli Single Ceiling / Wall Light

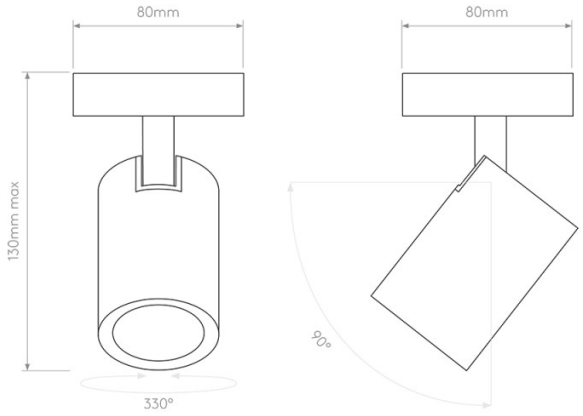

The Astro Ascoli Single is a compact spotlight designed for use on either ceilings or walls. With its clean square base and minimalist style, it offers directional light that adapts easily to different interiors. Available in finishes of matt black, bronze, textured white or matt nickel, it is an understated yet versatile lighting option.

The spotlight head can tilt up to 90° and rotate 330°, giving flexibility to direct light exactly where it's required. Dimmable with GU10 lamps, the Ascoli Single allows you to tailor the light output for different activities, whether used for reading, accent lighting, or creating ambient brightness. Its IP20 rating makes it suitable for bathroom zone 3 as well as general living areas.

Constructed from durable mild steel, this spotlight combines quality engineering with contemporary style. Use individually in smaller rooms or pair in multiples across larger spaces for a coherent, functional lighting scheme.
