PRODUCT DESCRIPTION

Astro Blanco Square Recessed Downlight

We currently have limited stock of one of these items in our [Clearance section](#).

The Astro Blanco range is ideal to be fitted in surfaces already plastered. The Blanco Square is fitted and then the gap is filled and rubbed down until smooth, before painting. The recessed downlight is available in two versions, Fixed or Adjustable. The Blanco Square Adjustable can be tilted by 30° and rotated by 360°, so you can adjust the direction of the light. The Blanco range is IP20 rated, making them suitable for fitting in bathrooms, zone 3.
