PRODUCT DESCRIPTION

Designer: Astro Design Team

Astro Park Lane Wall Light

Astro Park Lane Wall Light is the standard wall light in the Park Lane range, with a mild steel body and supplied White Fabric shade. It is the smaller version of the Park Lane Grande wall light.

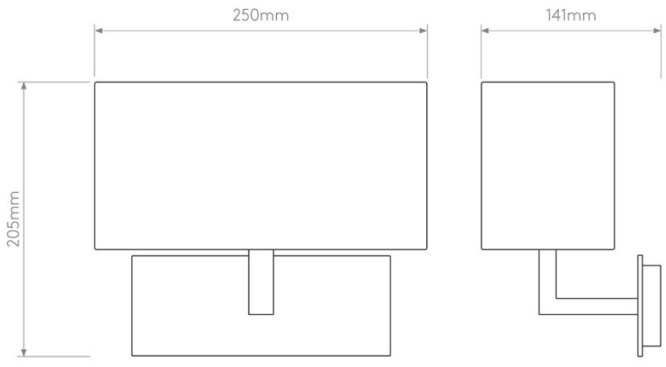

The current Astro reference confirms a Bronze finish with White Fabric shade included. Other compatible Rectangle 250 shades are available separately in White Fabric, Oyster Fabric, and Black Fabric.

Park Lane uses one E14/SES lamp, sold separately, and can be dimmed when used with a compatible dimmable bulb. It is wired in, Class I earthed, and suitable for mounting on flammable surfaces.

Best suited to bedrooms, bedside walls, living rooms, hallways, guest rooms, and softer interior wall lighting.
