PRODUCT DESCRIPTION

Astro Azumi Table Lamp

A matt nickel and white fabric table lamp, the Azumi has simple lines and contemporary design. An excellent choice for a bedside table light, reading light in the living room or basically everywhere around the house.

The lamp is solely for interior use, and can be used in bathrooms (zone 3). The austerity of the square base from mild steel is contradicted with a soft, fabric tapered round shade in white.

Also available as an LED option, please contact us for details.
